Absent: None

Others Present: Carrie Brown

A quorum was present.

The committee considered a request from George Green on behalf of the Knights of Columbus for one handicapped parking space at their location at 209 Gooding Street. City Engineer Brian Brown had suggested that the space possibly be placed on the west side of the building in order to free up on-street parking. Alderman Tom Ptak stated that he had spoken to George Green and the group was opposed to it going on the west side, they prefer that it is on Second Street. After brief discussion, a vote was taken.

Aldermen Bacidore, Ptak and Reynolds voted in favor of recommending that a handicapped parking space is approved for the first stall on Second and Gooding Streets. Alderman Herndon and Duncan were opposed.

There were no comments from the public.

The meeting was adjourned at 6:51 p.m.
