OF THE LA SALLE CITY COUNCIL
April 23, 2018**

A regular meeting of the La Salle City Council of La Salle, Illinois was held Monday, April 23, 2018 at 7:00 p.m. with Mayor Jeff Grove presiding with proper notice being duly and continuously posted.

The meeting was called to order at 7:00 p.m.

PLEDGE OF ALLEGIANCE

ROLL CALL

Present- Alderman Demes, Reynolds, Lavieri, Herndon, Schneider

Absent: Alderman Bacidore, Alderman Ptak, Alderman Duncan

A quorum was present.

APPROVAL OF MINUTES

Attorney McPhedran questioned page 2 of the minutes concerning Mr. Chris Miller's presentation. He began by stating that the minutes, nor any minutes, can speak to the entirety of the presentation which lasted a substantial period of time. He stated that the minutes, as written, reference a video showing water and alleged run-off from the school property. He stated that was not substantially discussed by Mr. Miller at the time, although while the video was playing there was some discussion. Attorney McPhedran indicated it would be appropriate for the minutes to indicate that Mr. Miller did show a video in regard to the property as a whole. He asked Mr. Miller, who was present, if he would like to share a copy of the video to include as part of the minutes, so that the video could speak for itself. Mr. Miller stated that he was only present to observe. Attorney McPhedran added that we want to be fair to Mr. Miller and fair to everyone else who was present.

Moved by Alderman Demes and seconded by Alderman Schneider that the minutes of the regular City Council meeting held on Monday, April 9, 2018 are accepted and placed on file with the revisions as suggested by Attorney McPhedran. Each and every alderman has a copy. Voice vote, all ayes. Motion carried.

PRESENTATION

Moved by Alderman Herndon and seconded by Alderman Lavieri to allow Blaine Kurth to address the council.

Voice vote, all ayes. Motion carried.

Mr. Kurth of the Illinois Municipal Risk Management Association spoke to the council to familiarize them with the organization. The City of La Salle currently has insurance coverage with IMLRMA. He explained that the IMLRMA is not an insurance company, but instead a pool of city, towns and villages in the State of Illinois who grouped together to get insurance coverages. The organization is governed by Mayors from various parts of the state who understand the needs of municipalities. Mr. Kurth stated that being a smaller entity allows its personnel to be more responsive than larger companies. He outlined some benefits of the IMLRMA including providing building evaluations every four years allowing coverages to be reassessed, as well as providing replacement cost coverage. Mr. Kurth referenced the loss of the Waste Water Treatment Plant in 2008, where the IMLRMA covered that loss. He indicated that many larger insurance companies exclude properties in Flood Zone A and would not have covered that loss. Mr. Kurth stated that his role with the IMLRMA is primarily to provide safety

training for municipalities covered by the organization. He indicated that a safety committee was established in the City of La Salle in the last few years. The committee is comprised of public works employees, as well as Department Heads. He stated that in the last few years the number of injuries and accidents has been reduced. Mayor Grove thanked Mr. Kurth for his assistance in keeping our employees safe, as well as the public.
